

## **Diving Raja Ampat, The Paragon of Diving in Indonesia**

*Just Wait Till You See What Lies Below...*

You can see so much when scuba diving in Raja Ampat, Indonesia with Putiraja Liveaboard. Lacy wobbegong tucked amidst a vast carpet of soft corals. Camouflaged pigmy seahorses dressed like their gorgonian fans. Shy mandarin fish in their vibrant splendor. All the while, a colorful assortment of reef fishes swim all around under the watchful eyes of sharks and silvery barracudas. Every now and again, a squadron of majestic mantas glide past this amazing abundance of underwater life. You'll quickly realize that Raja Ampat diving is truly the paragon of diving in Indonesia!

Escape from the lull of everyday life to a place where nature reigns. Where exotic birds nest and fanciful orchids thrive. Lush rainforest islands with their fringing coral reefs, dotting of limestone karsts, and the unique blue water mangroves are only a few of the vast array of marine habitats found in Raja Ampat. Sited in the confluence of currents from the richest coral triangle, marine biologists are still busy counting the marine species among these protected

islands. When you come to see Raja Ampat with Putiraja Liveboard, we will make sure that you are mesmerized by every dive and moments in between.

A liveboard dive trip with Putiraja means an adventure with a small group of friends who share your passion for scuba diving.
